

Build the Future of Cancer Care... Brick by Brick

This is your opportunity to make a lasting statement of support for the future of cancer care in the Emily Couric Clinical Cancer Center. Commemorative bricks are being offered for \$250 each. They will be prominently and permanently displayed in an outdoor garden at the corner of Jefferson Park Avenue and Lee Street. By purchasing a brick, you can honor a doctor or nurse who provided compassionate care for you or a loved one. It may serve to remember someone who touched your life, or simply to acknowledge your personal commitment to cancer care.

To order, please complete and return this order form. You may pay by credit card or check. Mail to: UVA Cancer Programs, P. O. Box 800773, Charlottesville, VA 22908. Questions? Call 434-924-8432. You may also purchase bricks online at <https://giving.uvahealth.com/couric-brick-campaign>.
